Board Resources . . .

Board Resources is a board/management consulting firm. The main purpose of our workshops is to provide directors and management with a view of specific ideas and best practices to enable better board level decisions and oversight of key management processes.

Interact with Donald P. Delves and a panel of professionals Wednesday, February 15th

Advance Reviews----

“This frank and expert guide to options in the post-bubble, post-Enron, post-expensing future is filled with thoughtful analysis and practical guidance.”

—*NELL MINOW, EDITOR, THE CORPORATE LIBRARY*“

Stock Options and the New Rules of Corporate Accountability should be required reading for everyone involved in executive compensation, especially corporate directors. Not only does it provide a comprehensive analysis of how executive compensation ran awry, it offers a thorough, intelligent approach to arriving at a more balanced, fair, and effective executive compensation system.”

—*WARREN L BATTS, FORMER CEO, PREMARK,
AND MEMBER OF SEVERAL CORPORATE BOARDS*

Stock Options & the New Rules of Corporate Accountability

By Don Delves

Book Overview

Executive compensation in America is out of control. Among the culprits are corporations that are providing enormous financial rewards for below-average performance through their stock option plans. Changes are needed to bring greater accountability and transparency to executive compensation systems - and to corporate governance itself.

Expensing options is a step in the right direction - but only touches the tip of the iceberg. In *Stock Options and the New Rules of Corporate Accountability*, ***Don Delves pinpoints the problems of the current system and outlines steps that will dramatically improve the weak link between executive pay and performance.*** Drawing on his 20 years of compensation consulting experience, Delves details:

--The underlying causes of the recent executive pay explosion - overuse of stock options and overemphasis on stock price

--The inefficiencies - and damage - to valuable company resources caused by the inappropriate use of options

-- Questions Board members should be asking about executive pay

-- A multifaceted strategy for solving the problems and satisfying key constituencies -- from stockholders to corporations to employees

This is a must-read for Board members, executives, and investors alike.

Foreword By Paul Volcker

Board Resources Workshop Faculty
for November 16th, 2005

Board Resources is a board/management consulting firm. The main purpose of our workshops is to provide directors and management with a view of specific ideas and best practices to enable better board level decisions and oversight of key management processes.

Bill Hass is CEO of TeamWork Technologies, Inc.
