**BOARD PERSPECTIVES:
Building Value Through Strategy, Risk Assessment and Renewal
By William J. Hass and Shepherd G. Pryor IV**

This invaluable reference book guides you from the beginning of strategy formulation through execution and evaluation. *Building Value Through Strategy, Risk Assessment and Renewal* bridges the divide between theory and effective implementation by helping you assess the difference between value creators and value destroyers in a way that board members can understand and use to monitor their company's value creation process. It thoroughly investigates oversight, and the roles played by the board and management team.

Highlights of Contents

1. The Board's Role in Strategy, Risk Assessment, and Corporate Renewal
2. Different Approaches to Strategy and Strategic Planning
3. Board Oversight of Benchmarking and Objective Setting
